

## **WHIFF MOBILE APPLICATION PRIVACY POLICY**

Airror makes every effort to protect the privacy of users of the Whiff mobile application and meets the requirements of personal data protection resulting from generally applicable law, in particular from Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of persons. individuals with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46 / EC (GDPR).

Airror takes all necessary measures to protect data against loss, destruction, disclosure, unauthorized access or improper use. On this page you will find basic information about the data we use.

### **1. Who is the administrator of my data?**

The administrator of your data is Airror Sp. z o.o. with headquarters in Warsaw 01-845, ul. Efraim Schroegera 90 / B, Poland, entered into the Register of Entrepreneurs kept by the District Court for the Capital City of Warsaw in Warsaw, 14th Commercial Division of the National Court Register, KRS number: 0000716639, NIP: 5291820407, REGON: 369384204. You can contact the administrator via e-mail: support@whiff.zone or in writing to the address of the registered office company.

### **2. What data is processed by Airror?**

Airror is the administrator of the e-mail address you provided when registering to the application. Airror may be the administrator of your personal data that you have provided to the operator of the system you use to use the application, e.g. Android (Google). Despite having the administrator status, Airror does not have direct access to this data, i.e. it is not visible to Airror.

### **3. How do we obtain data?**

All data at our disposal comes directly from you.

### **4. For what purpose do we process the data?**

Your personal data may be processed in order to perform the contract or take action at your request before concluding the contract, including pursuing claims under the contract (Article 6 (1) (b) and (f) of the GDPR);

### **5. Do I have to provide my data?**

Providing your data is completely voluntary, but necessary to use all the functions of the application.

### **6. How long do we process personal data?**

Your data will be processed no longer than for the duration of the contract that connects you with Airror, and after its completion until the expiry of the limitation period for claims related to the contract, and until Airror fulfills its obligations under the law (including obligations tax or accounting). In the case of processing personal data for marketing purposes, until you submit an objection pursuant to art. 21 paragraph 1 GDPR or until you withdraw your consent to receive information and marketing. If the processing of data depends on your consent - until its revocation.

## **7. Do we share data with other entities?**

Your personal data may be processed by entities such as: Airror employees or associates, entities providing legal or accounting services, entities providing hosting services or cloud computing services, entities providing e-mail services, entities providing services enabling Airror communication within the organization and enabling contact with users.

## **8. Do we share data outside the EEA?**

In principle, we do not transfer personal data to entities whose registered offices are located outside the European Economic Area. The only exception is our cooperation with service providers operating under the Google brand. In connection with this cooperation we can provide data characterizing the way of using services provided electronically (so-called operational data) for marketing purposes. Google participates in the "EU-US Privacy Shield" program, which guarantees that Google uses safeguards that are compliant with the regulations in force in the EEA.

## **9. What rights do I have in relation to data processing?**

You have the following rights:

- access to your data,
- rectify your data,
- delete your data,
- restrictions on the processing of your data,
- transfer your data,
- lodging a complaint to the President of the Personal Data Protection Office.

## **10. Do we use automated decision making?**

We do not use automated data processing techniques.
